

Driving Route to Wainwright Hotel

To get to the Wainwright Hotel: Drive west on Heritage Drive past the large H. Follow the road across the trolley tracks, around to the right and continue until you are at the security gate beside the clock tower. Stop at gate and check in with Security. Someone will come and talk to you or wave you in. Take the road straight up the hill and drive in past the red brick building on your right. Take the road across the train tracks and to the right so there is a wooden boardwalk on your left. Follow this road into the town. The Hotel is the large building on your left. You may park perpendicular to the boardwalks surrounding the Hotel.
